

PENN COMMERCIAL BUSINESS/TECHNICAL SCHOOL Constitution Day and Voter Registration

CONSTITUTION DAY EDUCATION PROGRAM

Constitution Day was established by Congress in an effort to increase knowledge about the United States Constitution. The amendment, proposed by Senator Robert C. Byrd, was passed in December 2004 and requires all educational institutions to commemorate Constitution Day by offering an educational program each year on/during the week of September 17. This day honors the signing of the United States Constitution by the delegates of the Constitutional Convention on September 17, 1787.
