

## **SERVICES FOR STUDENTS WITH DISABILITIES**

The Director of Student Services assists qualified students with disabilities in acquiring reasonable and appropriate accommodations in supporting their success at school. Penn Commercial is committed to providing students with a documented disability an equal opportunity to access the benefits, rights and privileges of services, programs, and activities in compliance with The American with Disabilities Act and Section 504 of the Rehabilitation Act of 1973. Students wishing to utilize these services must self-disclose their disability and provide current and comprehensive documentation from a qualified professional to support their claim. Students who choose to request accommodations typically do so soon after acceptance to Penn Commercial and confirmation to attend. However, students may request services at any time while enrolled in school. Please keep in mind that it is necessary to request services in a timely manner to allow staff sufficient time to evaluate your request and implement reasonable accommodations and/or services. It is recommended that this self-disclosure should be done at least six weeks prior to the beginning of each quarter so that accommodations can be in place when classes begin. Students who believe they are in need of accommodations should contact the Director of Student Services.
